

# APPROVED FRAMEWORK FOR THE CHAPTER OF CONSERVATION ARCHITECTS

LAST UPDATED: JUNE 2026

## AFFILIATES POST-NOMINALS

The Chapter of Conservation Architects recognises the following affiliation tiers:

- Fellow of the Chapter of Conservation Architects
- Member of the Chapter of Conservation Architects
- Associate of the Chapter of Conservation Architects

The following convention is being adopted for post-nominals for the different affiliation tiers:

### **TKTP Conservation;**

where T is to be replaced by the appropriate tier of affiliation and  
Conservation stands for Chapter of Conservation Architects

This translates to: FKTP Conservation, MKTP Conservation, or AKTP Conservation for Fellow, Member or Associate affiliation respectively.

The 'Conservation' part of the post-nominal can be abbreviated to Cons.

### **End of Regulation**
